

CAPE VINTAGE MOTORCYCLE CLUB

Run to Hudson's

Sunday 05-01-2014

The first club run of 2014 to Hudson's, may there be many more and with as many members as possible.

(Come on you guys who stay away we won't BITE and you may enjoy it!)

All the bikers arrive, I see Don is regaling the girls (again!), Bev is getting help, she stayed on her bike but not her chair (sorry could not resist that).

The serious business is not eating, but catching up on what the other guy has been doing or not, as you see there are some major conversations going on!

Those that chose to drive their cars were:
