

CAPE VINTAGE MOTORCYCLE CLUB

Breakfast Run to the Pepper Tree Restaurant in Philadelphia

Sunday 6th April 2014

What a perfect day for a bike ride in beautiful Western Cape, 5 bikes set off from the club house and eventually joined the 3 vintage bikes from Stellenbosch, Bev, Brian and Adrian at the turn off to Philadelphia. Many others made their own way there.

As can be seen the venue was shaded, it needed to be with a clear sky, sun and temperatures in the 30's, the breakfast was excellent and not expensive.

So if you did not attend, WHY not?

A variety of members and bikes attended
