

Cape Vintage Motorcycle Club Breakfast Run to Le Pommier Restaurant Sunday 1st June 2014

Helshoogte Pass (approx. 6km outside Stellenbosch), Bonhoek Valley, Stellenbosch

Unfortunately again our bike run (this time of year in the Cape that's a misnomer) was mired by rain and cold winds, but once again Kenn came on his bike. Only 12 sat down to a very good and reasonably priced breakfast, they had an open log fire going so we kept warm.

On exiting the venue I forgot, my excuse is that it was raining, to take pictures of the venue and beautiful surroundings, so make no excuse for adding these from their website.
