

**Cape Vintage Motorcycle Club
Club Run (breakfast) to Delheim Restaurant
Sunday 5th October 2014**

What a venue and along with this view came good food, excellent service and an atmosphere to go with it.

There were bikes from 1913 through to 2013, walking frames and even wheelchairs

The food and the ambiance was so restful, people chatted and I am sure they all enjoyed the venue, so we will go back! The price was reasonable to.

This drill, which was mounted on the reception entrance wall, was exactly like my father had in his shed in the 1950's and I could not resist a turn of the handle, and I was back being a naughty 10 year old (Yes, you would not believe that, would you!)
