

Killarney Car & Bike Show 6th November 2016

The show was a great success, there was about 1000 cars and 500 motorcycles with lots of activities and food stalls, the gates opened for the exhibitors at 6am and to the visiting public at 10am.

CVMC was represented by a few stalwarts, who I thank for their participation; it was a long day, as the exhibits had to be on show till 4pm, although many other clubs ignored that!
