

CAPE VINTAGE MOTORCYCLE CLUB
Club Breakfast Sunday 3rd December 2017
To Le Pommier Restaurant
Helshoogte Way, Stellenbosch

Sorry guys, as there were no bikes I also was remiss in not taking pictures of the attendance, my excuse is, due to the confusion of the cycles race taking place the various diversions, with bumper to bumper traffic, and the very welcome rain, and oh yes senility! (I hear you say).

But at least I got there, Dorren got so horrible entrapped by the various diversions and horrendous traffic he gave up and headed home!
