

**CAPE VINTAGE MOTORCYCLE CLUB
Club Run (breakfast)
Sunday 4th February 2018
Neptune's Galley Simon's Town**

Unfortunately not many people attended, and so even fewer bikes!, that being said it was a super day

Very good breakfast, great company although not many members, guys you keep missing some enjoyable trips!

The reason for the venue in Simon's Town was to take advantage of viewing the Veterans run from Kalk Bay to Cape point, stopping in the square in Simon's Town.

There were 3 bikes ridden in this run (see above pictures)

Barry South on a 1917 Indian Powerplus

Steven Helm on a 1914 Douglas

Brian Wallace on a 1914 New Hudson
