

**CAPE VINTAGE MOTORCYCLE CLUB**  
**Breakfast Run, Sunday 2<sup>nd</sup> December 2018**  
**To Stellenbosch Airfield**

Breakfast was not up to the usual standard, it was a buffet, (which ended up cold, as most buffets do!) laid out in the “hanger”, but with the tea, coffee and cool drinks obtained in the bar. As can be seen the hanger is rather basic (rustic as one of the members said)

As usual lovely view across the airport

View from the hanger

Lovely day for a bike ride, low wind & not too hot
