

Goods and Services.

Issued 9 December 2016.

This list, detailing suppliers of goods and services is offered by the CVMC as a guide only, and, as such, the Club accepts no responsibility for quality, service or prices offered.

Aluminium.

Bohler – 021/5343551. Plate and bar cut to length in 7 series material (high strength).

Non Ferrous Metals - 021/5110286. Sheet, plate, rod and bar cut to size in 6 series material. Offcuts available.

Aluminium casting (cleaning).

Bernard 0828812335 Station Rd Montagu Gardens.

Anodising (aluminium)

Cape Anodising – 021/9051244. Small jobs have to wait until the equipment is set up for a lot using the same colour. Hard anodizing can be done if necessary. This produces a highly wear resistant surface.

Auto Electrical.

Victor's Auto electric - 021/6742457 Len Ward. Kenilworth.

Batteries-M/cycle.

Battery Centre - many outlets in Ctn.

Dixon Batteries - 021/9309321. Bellville. Justus.

Vonde Motor Spares - 021/5116370 Maitland.

Yebo Electronics - 021/7617739 or 021/9491999 (sealed units).

Bearings.

Bearing Distributors – 021/5932339.

Bearings International – 021/5110580. FAG and Ina ranges.

BMG – 021/9451850 - (StikInd) 021/5105530 (MtInd) 021/5516630 (Mnt Grdns)

R and V Bearing Supplies – 021/9305200. Very helpful with Imperial sizes.

Anglia Bearings (Imperial sizes)-Boston, Lincolnshire,UK. tel:00441205357200

Fax:00441205351663

Brake and clutch lining.

Ferrobrake – 021/5310870 84 Gunners circle Epping 1. Re-lining of brake shoes and clutch plates.

D and M Service Centre – 021/9462300, 29 Aylesbury Str B/Vlle. Terry/Bruce

Brass and bronze.

Non Ferrous Metals – 021/5110286. Sheet, plate, rod and bar cut to size. Hollow round and hex in brass and phosphor bronze.

Skeltons (Macsteel) – 021/5118407. Round bar cut to size.

2.

Castings.

Ajax Castings - 021/5118267. Produce aluminium castings from sample.

Repair of castings - use *Steenvas ST 100 Cold Welding*, available from Agrimark Durbanville 021/9763057. Email steenvas@kingsley.co.za for technical.

Cam regrinding.

Camtech – 011/6181823. Peewee. Long established business with strong m/cycle connections. Probably has master cams for many classic machines and will rebuild worn cams as new.

Carburettor repair.

Alec – 0833399951. Manufactures high precision parts such as mixture needles, jets etc.

Ceramic Coating.

PowerKote Cape – 021/5550920. Durable, various colours + silver for hi temps.

Control cables.

Cable Masters – 021/5516702. Unit 8 Cavi Centre Montague Drive Very professional, good service.

Cable Maker - 021/5118814. Cables made to sample or detailed measurements.

Cable Superservice – 021/4610816. Bevan. Manufacture cables to sample or sell materials/components for own manufacture.

Crankshaft rebuilding.

TBR Engineering – 021/5533228. Tim or Peter. Probably the biggest rebuilder of 1,2,3 and 4 cylinder pressed together crankshafts in the Cape. Old type cranks with crankpin nuts undertaken, also conversions using modern bearings when originals are unobtainable.

Electrical repairs.

Eddie Prince – 021/7887923. Well known in classic motorcycle circles.

Electroplating

Ascet Plating - 021/9392159. Boompies Str, Parow East. Cadmium & electro galv. of vintage car/bike parts. Dick/Billy.

Electrocote - 021/9482793 Stikland. Chrome, nickel and zinc.

Gold Finger – 021/3865776 64 Manhattan Dr. Airport Ind. Quinton.

H and R Chrome 021/9314271 Spin Str. Parow Industria.

Lusinco 021/5519090 Bolt Park Montagu Gardens. Chrome, cadmium, copper, nickel, zinc. **NO LONGER ACCEPT**

M/CYCLE PARTS

Metallica 021/5553332 Kiara Hse 27 2nd Str Mont. Gardens. Derek.

Metglo 021/9819802 13 Goud Crescent Brackenfell. Vacuum plating of lamp reflectors.

Engineering Supplies.

AMH Enterprises – 021/7628111 Alex. A small, one man business. Will source and often deliver your requirements. Very knowledgeable and helpful.

Topfast – 021/5114477. Stock an amazing range of nuts, bolts, Allen screws, studs, rivets, washers, disc springs, fittings, abrasives, tools, instruments etc.

Epoxy resin. Sealing fuel tanks.

Fowkes Bros - 021/5087500 Paarden Eiland. 816 resin and RTU catalyst.

Exhaust pipes and silencers.

Bosson Performance Exhausts and Silencers – 021/9818200 Marty or Chris. Many items made – preferable to supply sample. Also bend tubes for other purposes – e.g. handle bars, frame tubes etc.

CRP – 021/9814783 Graham. Hand made pipes and silencers.

Geoff Talbot – 021/5318429. S/steel silencers for British & BMW.

BCE Engineering - Header pipes. Warren 072 133 8424.

Gaskets and gasket material.

Procut – Sean or Craig 0824980567 or 0723547286.

Redline – 021/5565764 Angus. Premium quality head gaskets made to order.

Wright Seal and Plastics – 021/5111337. Very good range of material available, sell offcuts for m/cycle requirements.

Gear manufacture.

Bedins Engineering Works - 021/4481691. Renzo. Knowledgeable and helpful.

Transaxle – 031/7056041. Ken. Probably the best gear cutting business in R.S.A.

Gearbox Reconditioning.

TBR Engineering – 021/5533228 Tim or Peter. Gear dogs built up with special hard facing material and precision ground on engagement faces to better than new. Selector forks straightened, hard faced and reground to as new. Shafts straightened. Clutch components remanufactured or repaired.

Grinding services.

GR Engineering – 021/9820700 or 0844300037. Rodney. Surface, cylindrical and internal grinding. Competent and very helpful.

Roemers – 021/4472371. Surface, cylindrical and cutter grinding. Very knowledgeable and helpful.

Hard Chrome Repair and Grinding.

GR Engineering – 021/9820700 or 0844300037 Rodney. Most shafts or wear faces can be repaired by hard chroming. Damaged fork legs can usually be straightened, then chromed and ground to as new condition.

Headlamp reflector plating.

Metglo metallizing. 021/8919802. 13 Goud Str. Brackenfell.

Helicoils.

Fast Fix Threads - 0829404992

Hydraulic seals.

CBF Brake and Clutch - 021/7153889. Gary. Matches clutch/brake cylinder seals.

West Coast Clutch and Brake - 021/5529280. Master cyl./brake caliber seals and square rings. Show samples and component parts.

Ignition Systems (electronic).

Boyer Brandsen UK www.boyerbrandsen.com/index.html

www.boyerbrandsen.com/microdigitalmicropower.html

MotoComp Durban - mcomp@mweb.co.za 0737509697 fax 0866841544

Laser and flame cutting.

Vulcan Steel – 021/5517894. Desray. Charges surprisingly low, generally for material used, CAD and consumables. Small jobs are no problem – ensure you provide a clear and well dimensioned sketch/drawing from which they produce their CAD drawing which controls cutting process.

Leather jacket/trouser alterations and repair.

Leather Forever - 021/9485515

Light bulbs.

Big Boy Scooters - 021/4222790. 6 and 12 volt.

Droomers Yamaha - 021/9480871. 6 and 12 volt.

Magneto and dynamo repair.

Rod Thomas – 031/7621509. Durban

Keith Blake 076 944 1909 Sun Valley Cape Town

Magnets.

Allmag Industries - 021/5918014 Wide range of rare earth magnets for use in engine and gearbox drain plugs.

Master and slave cylinder reconditioning.

S A Master Sleeve & Booster repair - 021/7616962. Patrick.

Measuring instrument repair/calibration

Melt Roux – 021/9032633 or 0797902344 Kuils River

Mechanical seals.

Hayes Engineering - 021/5553997 Spring loaded seals etc.

Metal cleaning/paint and rust removal/sand, grit and shot blasting.

Derustit - 021/5525023 By immersion in chemical bath.

Refer to: Sand/shot blasting in yellow pages.

Refer to: Powder Coaters in yellow pages.

Motorcycle Transport.

Bike Transporters - 021/8255011 - Transport of bikes nationally.

Nickel plating. (electroless)

Metalquip – 021/5103264. Supplier of materials for home plating. Results can be excellent if sufficient care is taken to follow instructions.

Oils and greases.

SOS Oil – 021/4485564. Freddie. Very knowledgeable, active m/cyclist. Carries wide range of most reputable company products and will recommend correct product for application. Supplies in small quantities.

O rings.

Allseal Industries - 021/5948532. Comprehensive range seals/O-rings in stock.

Seal Services – 021/5317521. Nitrile and Viton (hi temp) O-rings in metric and Imperial sizes.

Coastal Seals. 021/5111900.

Oil seals.

Allseal Industries. 021/5948532. Wide range in stock.

Seal Services. - 021/5317521 Wide range of metric and Imperial sizes.

Coastal Seals. - 021/5111900.

Pipe Bending – Header pipes.

BCE Engineering – Warren Steyn 072 133 8424 Montagu Gardens.

Pistons and rings.

Lionel Fletcher – 021/8382761 or 0721469543, able to source pistons/rings, valve guides etc.

Alert Engine Parts – 021/5908200. Piston rings matched from dimensions of original on computerized reference system.

JP Pistons – Australia tel. +61(0)8 82617222 fax +61(0) 8 82619171

www.jp.com.au Manufactures of pistons for a wide variety of vintage and classic machines including racing and specials.

Primers - self etch.

Dekro Paints - Red oxide, lacquer based.

Mica Hardware Stores - Duram NS 5 self-etch, lacquer based.

Rear suspension units.

TBR Engineering – 021/5533228 Tim or Peter. Reconditioning and rebuilding of both modern gas pressurized and traditional twin chamber types.

Reboring, and resleeving of engine cylinders.

Bastics Engine Rebuilders – 021/4472463 Ronnie.

Riding Jackets.

Rapid Sports – 021/4264044. Good value jackets manufactured to order from their range of ski jackets. Ideal for Cape riding conditions.

Rubber products.

Rubber Products & Mouldings - 021/5932110. Cnr 15th Ave/Voortrekker Rd. Maitland. Mouldings, grommets, shock absorber bushes, sponge etc.

Saddle and seat re-upholstering.

C & B Auto Trimmers - 0219498087. 20 Hydro Park, 2 Hydro Str Stikland.

Frans du Toit Trimmers - 021/9303703. 19 Jones Str Parow East. Emile.

Onynx Leather Care - 0826900798. 1 Kruger Str, B/vlle. Douglas Harper.

Peter - 021/5108794 0795471896 3 Ryk Str, Brooklyn. Inexpensive, good value.

Seals and O rings.

BMG – (Seal Jet Dept) 021/9451850.

Seal Services – 021/5317521. Neville or Milton. Large stocks held.

Coastal Seals - 021/5111900

Sheet metal fabrication.

Deco – 021/5514266. Barry. Has epoxy coating facilities.

Shock absorber repair.

Ian Glass – 021/6855485 / 08345411106 Berram Rd Rondebosch: gtshocks.co.za
ianglass@iafrica.com

Spares-used

Craigs Used Spares – 021/5104762 Voortekker Rd Maitland.

Detroit Vintage Garage 0826550015 Ivan, 10 Briar Rd Salt River.

Two Wheel Mecca-Terence 0721246026/Cedric 0833834161. Wide variety, mainly Japanese but also tyres.

Speedometer repair. (chronometric)

Thys de Jager – 021/9753306 or 0828675305 Eversdal

Melt Roux – 021/9032633 or 0797902344 Kuils River

Spray painters.

Lil Pete - 021/5581084 or 0833424825 16 Harmans Str Bothasig.

LT Custom - 021/7058915 or 0825764140 250 5th Ave Lotus River.

Spray Paint.

McNaughtans - 021/9390021 35 Fairbairn Str Parow East. In house brand of primer and 2k in base colours, competitively priced.

Auto Body Spares - 021/9302548 Duminy Str Parow East. Imported paints, colour matching.

City Paint & Abrasives – 021/9812112 or 021/5100176. Colour matching in 2K.

Sprockets-plate blanks.

Belting and Sprockets - 021/5578310.

Sprockets and Chains - 021/5119092.

Bearings International - 021/5110580.

Springs.

Hesper Engineering – 021/5064301. Manufacture all types to sample.

Springman – 021/9333622. Makers of a wide variety of large/small springs in steel and stainless. Valve springs made from sample. Large variety springs from over runs in scratch bins at very low cost. Original 'tired' springs reconditioned at very reasonable rates.

Stainless Steel.

NDE – 021/5522170. Sections, bar and tube. Bargains from off cut bin.

Stalcor – 021/5079600. Sections, bar and tube.

Steel – mild and alloy.

Donsteel – 021/9497550. Bright and black in round, hex and flat, cut to length.

Skeltons (Macsteel) – 021/5118407. Bright round, hex and flat, cut to length. Black, round and flat sections.

Telescopic forks.

TBR Engineering – 021/5533228. Tim or Peter. Straightening, re-chroming and rebuilding of modern and classic types.

Eagle Hard Chrome & Grinding - 021/5110380. Straightening & hard chroming.

Thread repair.

Fastfix threads - 0829404992. Removal of broken studs, helicoils. Drill and tap.

Tool steel and heat treatment.

Bohler – 021/5343551. Andreas.

Transmission Chains.

Drive and Gear Engineering (Reynolds chains) – 021/5933290.

Sprockets and Chains (Diamond chain) – 021/5119092.

Bearings International - 021/5110580.

Craigs – 021/9398916 or 021/5111916. Quality Japanese chain.

Tyres and tubes.

Craigs – 021/5111916 & 021/9398916. Mainly Japanese/Korean makes.

Speedyquip – 041/4841506. Derek. Importers of top makes.

Tracmac – 021/4193874 & 021/9453724. Good and cheap makes.

Craigs Used Tyres - 021/5104762. Various sizes in good condition.

Startline – 021/5912557. Indian and Korean makes.

Vapour blasting (cleaning) of aluminium castings.

Bernard 0838812335 Station road Montagu Gardens

Valves-inlet and exhaust.

Alert Engine Parts – 021/5908200. Valves matched from dimensions of original on computerized reference system.

Valve re-facing / seat replacement/guide renewal/cylinder head overhaul.

Bastics Engineering -021/4472463 Ronnie.

TBR Engineering – 021/5533228. Tim or Peter. Unique, specialist equipment accommodates valves with stem of 3,5mm dia and greater.

Welding

Gula Welding - Gary Koen 0824854485 Unit 7 Oval Park 17th Ave Maitland. Specialist repair of broken/cracked aluminium castings and welding of mild, s/steel and cast iron.

Welding and metal spraying.

Tigbolt – 021/5113752. Norman. One of the best in Cape Town. Very knowledgeable and approachable. Helicoil repair.

TBR Engineering – 021/5533228. Tim or Peter. Tig welding of aluminium and stainless. Repairs to broken casings with full precision machine shop to complete all repairs ready for assembly. Stellite repair to cam followers. Helicoil repairs.

Wheel building.

TBR Engineering – 021/5533228. Tim or Peter. Many years experience.

White metal bearings.

GB Bearings – 021/5111636. Beuhla.

It is intended that this data base should be updated by the addition, on a regular basis, of contributions from members. Please inform a committee member of any service/supplier which could add value to the above.
