

CAPE VINTAGE MOTORCYCLE CLUB
Breakfast Run To Ruitersvlei Mountain Restaurant
Sunday 2nd March 2014

The weather forecast all week had indicated showers, after all the heat and cloudless days, but luck was on our side and the weather was cool, cloudy but with some strong wind.

At the club house meeting point, 5 bikes set off (all BMW's except one lonely Motor Guzzle, it even had to park away from them!). We took the route through to Durbanville, meeting up with other members. Which was ok until Bill Hoskins broke down! Peter Mann who had experience of this occurrence, (he was the one Peter last run that broke down), volunteered to take Bill back to his house in Durbanville, to collect the bike on a trailer, they did eventually catch up with us, just as most had finished their breakfast, but well done, and thanks Peter!

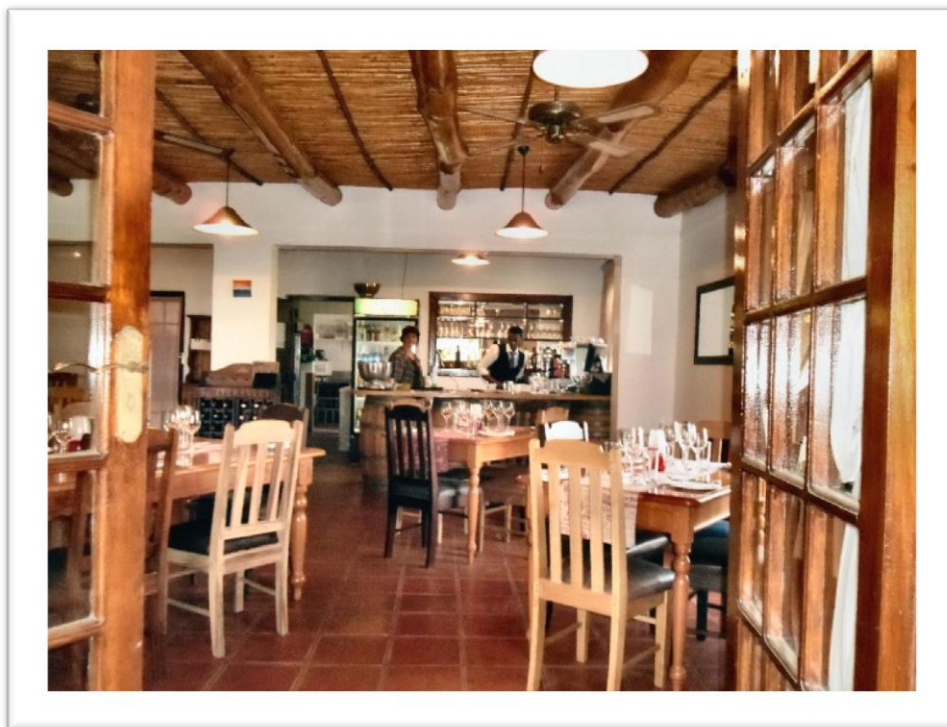

The venue was friendly, good food at reasonable prices and oh what a view, the scenery is beautiful

And the formal restaurant and bar looks inviting

Attendance list

Adrian Denness	AJS 500cc 1935
