

**Cape Vintage Motorcycle Club
Club Run (breakfast)
Sunday 6th July 2014
To
Boschenda Restaurant**

**Oops it's closed, so run to
Le Pommier Restaurant**

We gathered at Boschenda, as arranged, on a very cold and wet Sunday morning, only to find that the cafe is closed for renovations!, on enquiry we were told that breakfast may be available in the Manor House, so off to the Manor House, where we then told "no we don't serve breakfast".

SO NOW WHAT?

It was suggested that we go to Le Pommier, we were there last month, signs of déjà vu!

Here we are leaving Boschenda, notice the clouds and mist

There were only 2 hardy souls on bikes

Charles Mast on his 1955 BSA A10

Kenn Sara on his 1978 BMW R65

As last time we were treated to a good breakfast and a roaring wood fire, this is to be recommended on a day like today.

As you see people are concentrating on their food and enjoying some chatter!
