

**Cape Vintage Motorcycle Club  
Club Run (breakfast)  
Sunday 7<sup>th</sup> September 2014  
To  
DelVera Restaurant**

*Just off the N1 on the R44 towards Stellenbosch*

At last we are getting to the decent weather, the morning started with a fairly heavy mist, and ended in glorious sunshine.

Although the service was a bit slow the food was very good and reasonable, DelVera is set in beautiful surroundings in the wine area of Stellenbosch.

From the comments everybody enjoyed the trip and catching up with the gossip!
