

Club Memorial Run and Breakfast Sunday 3rd May 2020 At Stellenbosch Airfield

Make your own way there for about 9:30 - 10:00.

Approaching from Stellenbosch:

Drive on the R44 towards Somerset West. Once you reach the Mooiberge Farm Stall, do a U-turn and continue along the R44 as if you were driving back into Stellenbosch. About 1km after Mooiberge, there will be a road on your left (a sign for La Pineta is just before the turn off). Take that turn off, and continue on the tar road to the airfield.

**This is to celebrate the life of those members and friends that have passed,
in the last few years.
To make it special, a big gathering would be great.**
