

**CAPE VINTAGE MOTORCYCLE CLUB  
Club Run (breakfast)  
Sunday 4<sup>th</sup> October 2015  
To the Lookout Deck at the Hout Bay harbour**

An overcast and rainy day which did not prevent Mike Miles and Jenny Densham from riding their Triumph Tiger all the way from Hermanus.

Adrian Denness also braved the elements by riding his 1935 AJS all the way from Stellenbosch. We had a relatively small turnout at a venue that we had not used before. The Lookout Deck offered a good breakfast with good service in an interesting area.
