

**Cape Vintage Motorcycle Club  
Club Run (breakfast) Sunday 6<sup>th</sup> March 2016  
Delheim Restaurant**

**A fantastic day for a bike ride, in the shade of the trees, don't the bikes look good.**

**A stunning view from our table, which was set in a secluded area covered by vines**

**The breakfast was superb and enjoyed, with lots of chat and catching up.**

**As we were leaving I noticed this mushroom / fungus being photographed, it turns out that Delheim make a meal specifically with this, it's called the Chicken of the Wood.**
