

**CAPE VINTAGE MOTORCYCLE CLUB
Club Memorial Run and Breakfast
Sunday 1st May 2016
to Stellenbosch Airfield**

A good collection of bikes, on a sunny autumn day.

The breakfast, as usual was very good. Brian Wallace said a few words on the members who have passed:

Coert Joubert: joined the CVMC in 1995, was an avid member, road many different bikes over the years and would go out of his way to help anybody.

Don Anderson: joined the CVMC in 2009, always rode his 1984 Moto Guzzie, many people did not realize he had a car, he won the attendance trophy twice.

Gus Heinze: joined the CVMC in 1997, being a country member living in Johannesburg, he rode in the first 2 day Fairest Cape event and rode 23 DJ's.

Peter Fower: joined the CVMC in 1994, held positions, Treasurer & Member, in the CVMC committee, although he lived in Darling he attended most meetings and normally on his bike, was an official in most Fairest Cape events.
